## **Heumann Rajnai Rizling 2016 (Rhine Riesling)**

Erhard & Evelyne Heumann a German-Swiss couple founded the winery in the late 1990s and took the chance to realize their dream — to produce outstanding wines at reasonable prices. Their passion for wine combined with high quality standards and last but not least the terroir of Villány-Siklós has already born fruits. Numerous national and international awards and high scores in tastings are the evidence. The Heumann's now own 10 ha and have rented another 5 ha mainly in the Siklós sub-region. Most of the vineyards are either south-exposed or are situated on a plateau. 95% have the premium status of the DHC Villány.

Wine region Villány  Villány-Siklós which is regarded as Hunga wine area. Climate is continental with M influence. Due to terroir the region is per red varieties. Cabernet Franc besides the Kékfrankos (aka Blaufraenkisch) is regard grape that has perfectly adapted to the to varieties result in outstanding wines. For international wine experts (e.g. Jancis Romannian international wine experts (	lediterranean refectly suited for emore local ded the flagship terroir.
